#### **Topic: How School Fosters Human Excellence through Competence**

At the beginning of the new Academic Year 2023-24, Class 12 was given the first opportunity to conduct assembly. Our class being XII - B, our day to conduct assembly was on 27.06.2023

Topic for the assembly was “How School Fosters Human Excellence through COMPETENCE”. The show was hosted by Namrata and Sailakshmi. The assembly started with DAV Gaan and Gayathri Mantra that filled our hearts with gratitude.

This was followed by an excellent skit by the class showcasing how Competence and proper guidance by teachers help students succeed in competitions and later on in life.

The class had come up with a novel idea of letting Principal Ma’am choose the order of events. The first event she chose was Thirukkural which was recited by Kiruthika. She recited 50 Thirukkural in about 3 minutes which was very much appreciated by everyone. The next chosen by Principal Ma’am was Dance. Needless to say, the students enjoyed this part of the event very much. The coordination and music medley chosen was amazing and made everyone tap their feet.

The last event was Music. Our class choir wrote a song on Competence, composed its music and sang it. It was commendable to see their enthusiastic participation.

The entire Programme was finally summed up by Catherine. Sudha listed out the awards won by our beloved Principal Ma'am to end the show on a high note.

As always, we ended the show with the National Anthem and Shanti part. It was an excellent show put up by our class that showcased the team work that made it all possible.
