

**D.A.V. PUBLIC SCHOOL**  
Velachery, Chennai-42

**REPORT ON THE VIRTUAL CLASS ASSEMBLY**  
**ACADEMIC YEAR 2021-2022**

**Class : VI C**

**THEME : SCHOOL'S MISSION – MULTIPLE INTELLIGENCE**

**Topic: How to Identify Linguistic Intelligence Among Students – Word Smart**

**Class Teacher: Ms. Gayathri Ganesan**

**Date : 26<sup>th</sup> October, 2021 (Tuesday)**

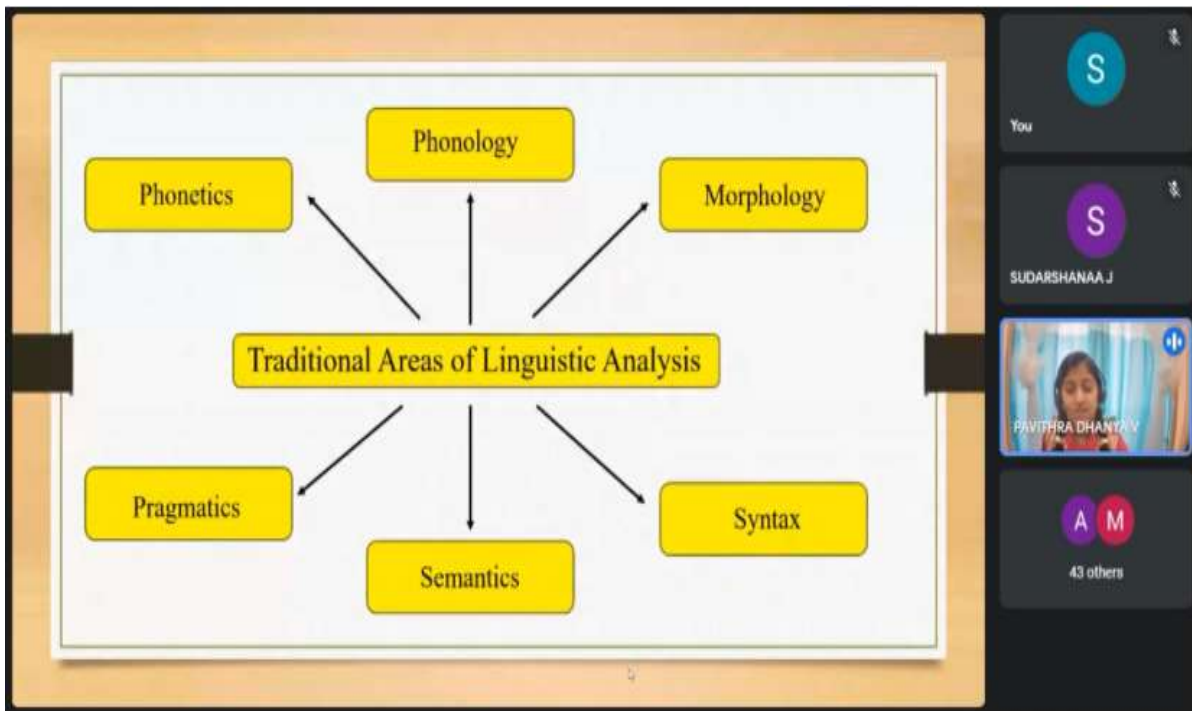

**Timing: 10:40 a.m. - 11:20 a.m.**

The Virtual Class Assembly of VI C on the topic “**How to Identify Linguistic Intelligence Among Students – Word Smart**” was held on 26th October 2021. The programme commenced with the Gayatri Mantra followed by welcome declamation.

The Assembly portrayed various strategies to identify the Linguistic Intelligence among students.

- **Schmooze on Linguistic Intelligence** -It delineated on how to identify linguistic intelligence among students through their avocation, interests and aptitude.
- **Rendition of Poem** –The student recited the poem written by her on linguistic intelligence. The distinctiveness of the poem is that the alphabet at the beginning of each phrase in the poem makes “YOU ARE LINGUIST”.
- **Knowledge on Language**- Students exhibited their linguistic talents by speaking in different languages like Arabic, Spanish, German, Chinese, French, Konkani and the other students identified the languages. The interest of the students in learning new non-Indian languages which is not their mother tongue as their leisure time hobby was fascinating. This programme also makes us aware about how the school inculcates students to know and learn Konkani through events like Bhasha Sangam.
- **Talk Show**- Students elaborated on the prominent personalities of India with linguistic intelligence, their literary works and the awards received for their contributions in literature. It was presented through power point presentation.
- **Conundrum**–A program on asking riddles based on words in English drew the attention of all the students and the response was overwhelming.
- **Anecdote**– A story narration with illustrations based on the story and the portrait of our beloved Principal Ma’am, drawn by the students was truly appreciable.

These programmes amplified how such activities can acuminate a student’s linguistic intelligence and hone the skills of the DAVites. Conclusively, Principal Ma’am gave her feedback on the programme and commended the students for their exquisite performance and for exhibiting their profound technical skills.

**Schmooze on Linguistic Intelligence**

**O LINGUIST!**

Your words, Your creativity, Your speech, Your life!  
 Own your finesse of discourse, which is not rife!  
 Utterance if is white collared, you are a polyglot!

Ability to verbal intelligence, must be the aim of your slingshot.  
 Rabindranath Tagore's spurning rigid classical forms  
 Edward Sapir's North American Indian English dorms

Lexical your language be, Deft in your language,  
 Inner fortitude in language, won't you leave your language grudge?  
 Nifty in diction, prolific vocabulary whittle your way!  
 Grounded well, with your gift of tongues, you play.  
 Unwavering knack for languages, if you possess,  
 In the world of linguist, you can address!  
 Syntax, semantics and phonetics rule you,  
 Thorough your lingo, thou flair for languages get its screw!

- Yuthika Mannem

On the right side of the slide, there is a vertical list of names in a dark grey box: "You", "SUDARSHANAA J", "YUTHIKA MANNEM", "SUDARSHANAA J", and "43 others".
