

**REPORT ON THE CLASS ASSEMBLY OF X –D DURING THE ACADEMIC YEAR 2023 -24**

**Class Teacher: Ms. Anitha. R**

**Date: 02.08.2023**

**Timing: 8.30 a.m. to 9.00 a.m.**

**Class Strength: 39**

**Topic: “How School Identifies Aptitude and Moulds Passion Towards Learning a Subject among Students – 3 Ways”**

The Assembly of X-D began with the DAV Gaan followed by the recitation of Gayatri Mantra.

The Welcome Address was delivered by Naveen and Akhil Charan. We invited our Principal Ma'am, Supervisory-Incharges, Parents and all students by using a toy car which was operated by Bluetooth.

The Assembly was presented through different elements – Skit, Dance, Song, and Quiz.

An ironic skit “Burlesque”, where the students portrayed the importance of practical learning. In this skit the students show cased the outcomes of practical learning in Physics through dance and humour.

Ads were present in between each programme, depicting different concepts that are dealt with in the class from different subjects like Chemistry, Biology and Mathematics in a humorous way.

The next program was “Cipela for the Cigos” Students had created a shoe for the blind that was programmed by the students using Artificial Intelligence. This program was designed to explain the exposure given by the school to students for creating their own AI Machines using their creativity.

This was followed by a “**Mathematics Quiz**”. Students prepared six mathematical logical reasoning questions, and the audience were asked to guess the answer. All students actively participated in the quiz and tried to solve the questions. This program was to show the interest that was created by the school in Mathematics among students. The school encourages the students to take part in Olympiads, which thereby increases their passion to learn Mathematics.

“**Outdoor Theatre**” showcased the different activities conducted in the class for different subjects like English, Social Science and II Language (Tamil). It depicted the different ways of increasing passion for learning a subject.

This was followed by honoring the teachers by giving them roses, as they form the main pillar in creating passion for learning a subject.

This was followed by a Vote of thanks by Kaniska and Pooja. The students assembled “THANK YOU” by using Rubrics Cube.

The Assembly ended with National Anthem followed by Shanti Paat.

“Fearless Girls” – Dance

Spectacular and mind-blowing dance

Experiential learning in class

Outdoor Theater- A learning

Cipela for the Cigos - the Techies of X- D

Words of Appreciation – Parents
