**Grade – Nursery to II**

AO/PR/Cir/07/  
30.07.15

Dear Parents,

Greetings from D.A.V International School!

As a precautionary measure to save our children from **dengue** and **other infections**, we request you to send your ward in **white shirt** of regular school uniform and **full pant** of winter uniform. Girls should be sent with **white leggings** under the skirt.

Also we would like to mention that we have made special committee to avoid any mosquito breeding in school. We are in constant touch with AMC who did fogging in our school on 24<sup>th</sup> July, 2015 and had dropped fishes in nearby pond which prevents mosquito breeding. Thrice a week we are spreading oil mixed with diesel in all risk prone areas.

We also request you to take preventive measures at home too. Children's health should be our first priority. If your child has cold, cough, fever or any type of infection please don't send to school.

Warm Regards

Dr. Nivedita Ganguli  
Principal
