

D.A.V PUBLIC SCHOOL ,HAPUR

COMMENCES WITH ONLINE CLASSES

FOR SESSION 2020-21

EXCERPT OF PRESIDENT'S MESSAGE

These medical and para-medical workers are our first and ONLY line of defence in our battle against COVID 19. They are our Heros and Saviours. So, let us all pray to the Almighty to give wisdom to these misguided souls and guide their "Budhi" in the right direction DAV College Managing Committee (DAV CMC) donates **5,00,000,00.00** (Rupees Five crore only) to Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM-CARES Fund). This includes a donation of a minimum one day? Salary of our staff. Many have benevolently given more.

DAV has risen together, once again, to strengthen the hands of our government by donating to fight this dreaded disease.

We are confident that India will conquer the COVID-19 crisis sooner rather than later under the astute leadership of Shri Narendra Modi Ji, Honorable Prime Minister of India. The entire DAV fraternity is with the nation in this hour of crisis and will do everything, to win this battle against COVID-19. Further, we have urged our Alumni numbering more than 40 lakh to ensure that people in their locality stay indoors, stay healthy, and stay safe and play a meaningful role in India's war against COVID-19

घर पर रहें, सुरक्षित रहें, स्वस्थ रहें, और व्यस्त रहें ।

PRINCIPAL'S MESSAGE

Dear

Readers I would like to congratulate the students and teachers for fabricating the edition of the school newsletter which shall bring forth the endeavor of the students of the school in various disciplines for the readers. School is the core of learning which nurtures students to culture and refine the acquisition and rendition of various potential skills philosophically through education. Thus we all encourage our students to discover their ingenuity, strength and asset to encourage their progress and accomplishment in all walks of life. With best compliments I would like to wish the students to seek inspiration and apprehension to become enterprising and successful individuals in life.

We have begun the new session through online classes through various resources like you tube channels, zoom and Google classes, what's app groups. It is requested utilize this time creatively, focus on your studies and discuss your problem with teachers. The topics taught during this period will not be repeated .Best work will be appreciated and considered for the internal assessment. I hope you are enjoying the classes and staying home and following all the instructions. All the parents please motivate your children to attend these classes and make the teaching successful. All the best.
