

NOVEMBER, 2017

VENUE: Language Lab. (Senior)

TOPIC: Learn to build a career in Law

RESOURCE PERSON: MR. SAGAR MONGIA

BATCH: 2010

PROFESSIONAL PROFILE:

- ❖ An Intellectual Property Advocate

REPORT:

To acquaint the students with the struggles and challenges of being an Intellectual Property Advocate, Mr. Sagar Mongia outlined the story of his life and career. Mr. Mongia further emphasized on the fact that every 'No' means that you are a step closer to 'Yes'. He gave exclusive points to the students which if followed, assure definite success. The students were encouraged to value the time, to be attentive in every moment, to come out of their comfort zone and to open the gates of learning. He enthusiastically narrated many inspiring stories to motivate students and stimulate them to set benchmarks and target success in life. "Not then, but now" was his valuable message.

AUGUST, 2017

VENUE: Language Lab. (Senior)

TOPIC: Learn about Nutrition and Health

RESOURCE PERSON: MR. RAVINDER NAGPAL

BATCH: 1976

PROFESSIONAL PROFILE:

- ❖ A Pharmacist, Health and Nutrition Consultant and a Personal Counsellor

REPORT:

Connecting with the students, Mr. Ravinder Nagpal insisted that they must learn to think progressively and suggested some 'must-read' books to change their thinking to achieve success. Mr. Nagpal motivated them towards 'goal-setting' and 'strategizing' the 'Daily Deliberate Action' as every day makes a difference, concentrating on 'healthy life style for a healthy future.'. Answering the queries, he explained the principle of 'DGSA' - dream - goal-strategy-action to become an achiever and change their weaknesses into strengths. 'Shape your life- Learn to grow from inside'- was his invaluable message as the stimulating mentoring session came to an end.

AUGUST, 2017

VENUE: Language Lab. (Senior)

TOPIC: Learn to tackle uncertainty

RESOURCE PERSON: MR. PAWAN SACHDEVA

BATCH: 1986

PROFESSIONAL PROFILE:

- ❖ An Investment Professional and an Engineer

REPORT:

In his mentoring session, Mr. Pawan Sachdeva emphasized the role of school in grooming personalities and inculcating positive thinking. Further, Mr. Sachdeva focused on the emerging, irrational, unforeseen trends and implored the students to equip themselves with critical thinking, problem solving and crisis management skills to cope up successfully. 'Learn, unlearn and relearn' was his message along with 'reinvent yourself to stay relevant and refreshed. The inspiring session came to an end with his words of wisdom-'Connect the dots-open your minds-whatever you do- do not settle for mediocrity'.

JULY, 2017

VENUE: Language Lab. (Senior)

TOPIC: Learn to build a career in Software Development

RESOURCE PERSON: MR. UJJWAL KUNDRA

BATCH: 1993

PROFESSIONAL PROFILE:

- ❖ Director, Business Development, Aricent Global Software Company

REPORT:

Mr. Ujjwal Kundra began the session by updating the students with the dynamics of 'Software Development'. He provided a deep insight into the rapidly evolving trends and displayed an array of varied domains like networking, application development, communication, artificial intelligence, security and hacking. He also apprised the young minds with the upcoming opportunities like technical writers, data scientists, growth hackers, social media managers and many others. "Know your specific interest and take a leap to the next level"- was the strategy suggested to the young aspirants.
