

Guru Purnima Celebration on July 3rd, 2023

Date: July 3rd, 2023

On the auspicious occasion of Guru Purnima, students from various classes, ranging from 3rd to 12th grade, came together to celebrate and honor their teachers' wisdom and guidance. The event was held at our School campus and witnessed an overwhelming display of respect and admiration for educators.

The celebration commenced with a traditional ritual of offering prayers and expressing gratitude towards teachers for their selfless dedication and support in shaping young minds. It was a day dedicated to paying tribute to the countless contributions made by teachers in the lives of their students.

Geeta Patel, Seema, and Nandita, three bright students, stood out with their eloquent and heartfelt speeches. Each of them shared their unique experiences and heartfelt words of appreciation, leaving the audience inspired and moved.

Geeta Patel, eloquently highlighted the significance of Guru Purnima in our culture and how teachers play an integral role in shaping students' character and nurturing their potential. She expressed her heartfelt gratitude to her teachers for their unwavering support and encouragement.

Seema, shared anecdotes of how her teachers had transformed her perspective towards learning. She expressed her admiration for the dedication of her educators and acknowledged their role in instilling a love for knowledge within her.

Nandita, delivered a powerful speech expressing gratitude to her mentors who had guided her through the crucial years of her academic journey. She shared how their encouragement had instilled in her the confidence to pursue her dreams and aspirations.

The Guru Purnima celebration concluded on a high note, with students expressing their heartfelt gratitude to their teachers through handmade cards and tokens of appreciation.

This auspicious occasion served as a reminder of the immeasurable impact teachers have on their students' lives. The dedication and passion of educators continue to kindle the flames of knowledge and enlightenment, illuminating path of future generation.

*** Students Enthral Audience in Special Assembly Commemorating World Population Day and Celebrating Indian Icons***

In a remarkable display of talent and enthusiasm, students from classes 3 to 12 at school campus celebrated the significance of various days, paying tribute to eminent personalities, and highlighting essential global issues through an extraordinary special assembly. The event saw students actively participating in essay writing, fancy dress, and role-play competitions, showcasing their highest spirits and exceptional performances on stage.

The special assembly commenced for celebration of 'World Population Day on 11th July 2023, emphasizing the importance of population control and sustainable development. Students eloquently presented speeches and thought-provoking essays on the challenges posed by population growth.

Celebrating the birth anniversaries of two Indian luminaries, the assembly paid homage to the revolutionary freedom fighter Chandrashekhar Azad

on 24 July 2023 and the legendary author Munshi Premchand on 31st July 2023. Through captivating role-plays and performances, students brought these historical figures to life, acquainting the audience with their remarkable contributions to India's struggle for independence and literary heritage.

The essay writing competition witnessed a display of exceptional literary prowess as students presented well-researched and thought-provoking essays on a variety of topics, ranging from sustainable development and environmental conservation to the role of youth in shaping a better future.

The highlight of the event was the dazzling 'Fancy Dress' competition, where students transformed into iconic personalities from various walks of life. Maximum students participated in special assembly conduction, in which Arpita Tiwari, Mehul Shrivastava, Pranay Deshmukh, Moksh Patel and Nikhil Rathore has done excellent performance and participated in various activity in high spirit.

The school's principal, praised the students' exceptional efforts and emphasized the importance of such events in nurturing holistic development. He applauded the dedication of the teaching staff in guiding the students to excel in various activities.

By conducting special assemblies in the school on various occasions and special days, children get important information about those days and are made aware of those occasions and imbibe their learning in their lives, leaving an indelible impression on all attendees. The participation of students in various competitions exhibited not only their talent but also their awareness of critical issues and the rich cultural heritage of India.

special assembly conducted on various dates we're truly exemplified the school's commitment to fostering all-around development among its students, preparing them to be responsible global citizens and future leaders.

Students from Eighth to Twelfth Grade Showcase Indian Scientist Contributions and Social Media Importance in School Activity

Date: July 22, 2023

In a remarkable initiative, students from classes sixth to twelfth at School organized a captivating PowerPoint presentation activity on July 22, 2023. The theme of the activity was centered around "Contribution of Indian Scientists" and "Importance of Social Media."

Among the participants, two students from the eighth grade, Ananya Pande and Shweta Vishwakarma, stood out with their outstanding performance. Their presentation received praise and applause from teachers, fellow students, and guests present at the event.

The activity aimed to highlight the significant contributions of Indian scientists to various fields, including physics, chemistry, biology, and mathematics. Ananya and Shweta

adeptly showcased the achievements of prominent Indian scientists like Sir C.V. Raman, Homi J. Bhabha, and A.P.J. Abdul Kalam, shedding light on their groundbreaking discoveries and innovations.

Furthermore, the students emphasized the importance of social media in the present digital age. They illustrated how social media platforms have become powerful tools for disseminating knowledge, connecting people, and promoting scientific awareness and progress.

The principal of School, expressed his pride in the students' efforts to raise awareness about Indian scientists and the role of social media in their educative presentation.

The activity not only encouraged the students to delve deeper into India's scientific heritage but also underscored the significance of responsible social media usage for educational and societal advancements.

Aster House Triumphs in Vigyan Pahli Science Quiz

On the 14th of July 2023, an enthralling and intellectually stimulating science competition, Vigyan Pahli, was organized for students from classes 6 to 12 at School. The event witnessed participation from young minds across various houses, all eager to showcase their knowledge and skills in the field of science.

After a fierce and nail-biting competition, it was the students of Aster House who emerged victorious, showcasing their profound understanding of scientific concepts and astute problem-solving abilities.

The winning team was composed of four exceptional participants from different grade levels. Arman, a brilliant student from Class 11, exhibited his deep knowledge and earned significant points for the team. Vikas Jogi, an accomplished scholar from Class 12, Rahul Patel, a talented student from Class 9, proved to be a vital asset for Aster House, and the team's youngest member, Prabhat, a remarkable 6th grader, astounded everyone with his precocious knowledge and passion for scientific exploration.

Their teamwork and dedication made them a formidable force, answering questions with precision and confidence, leaving other contestants in awe. The spirited performances of these students culminated in Aster House securing the top spot in the Vigyan Pahli competition.

The event not only celebrated scientific knowledge but also highlighted the importance of nurturing young minds to pursue their passion for science. The successful organization of Vigyan Pahli has undoubtedly sparked curiosity and ignited the spirit of inquiry among all participants, motivating them to delve deeper into the fascinating realm of science.

The entire school applauded the outstanding achievement of Aster House and recognized the collective efforts of Arman, Vikas, Rahul, and Prabhat in bringing glory to their house. The winners were congratulated by the school administration and teachers, inspiring other students to aim for excellence and showcase their potential in future academic events.

The event proved to be a significant learning experience, inspiring young minds to appreciate the contributions of Indian scientists and utilize social media responsibly for the betterment of society.

The school authorities are now planning to organize similar activities regularly to foster the spirit of curiosity, creativity, and critical thinking among the students.

Green India Takes Center Stage at Van Mahotsav Celebration on July 15, 2023

In a vibrant display of environmental consciousness, students from LKG to Class 12th came together to celebrate Van Mahotsav on July 15, 2023, with a resounding commitment to a "Green India." The event, held at school, witnessed enthusiastic participation and showcased the potential of the youth in environmental preservation.

The festivities began with a grand plantation drive, where students enthusiastically planted saplings to contribute to the greening of the nation. The school premises were adorned with captivating board decorations, with Calendula House taking the lead and securing the top spot in the competition, defeating the other three houses.

Amidst the celebration of Van Mahotsav, the traditional Hareli festival was also commemorated with joy and fervor. As part of the festivities, a thrilling Gedi race was conducted, in which Dipendra Singh from Class 7th claiming the top spot.

Adding to the cultural vibrancy, students showcased their talent in Gedi dance performances, mesmerizing the audience with their lively and graceful moves.

The event proved to be a spectacular success, not only in promoting a greener and sustainable environment but also in fostering a sense of unity and enthusiasm among the students. The celebration served as a reminder of the collective responsibility towards preserving our natural heritage.

Capacity Building Program at Deorikhurd Takhatpur Empowers Teachers for Enhanced Teaching

From 15th to 17th July 2023, a successful capacity building program was held at Deorikhurd Takhatpur, where dedicated school teachers participated to enhance their teaching skills in various subjects. The program aimed to equip educators with advanced methodologies and approaches to ensure an improved learning experience for their students.

Among the participants were Varsha Kurre, who focused on enhancing chemistry lessons, Kunti Sahu, committed to improving Hindi teaching techniques, and G Kamla, striving to elevate the quality of mathematics education. Additionally, Sudipta Jana dedicated his efforts to strengthening physics teaching, while Pushpesh Kumar aimed to boost social science teaching capabilities.

The program was designed with interactive workshops, modern pedagogical practices, and sharing of best practices to create a supportive and collaborative learning environment. The teachers' enthusiastic participation and commitment to continuous professional development promise a brighter future for their students' education.

Green Day Celebration and Rainy Day Joy: LKG to Class 2 Students Engage in Fun Activities

Students from LKG to Class 2 at School recently participated in two exciting activities, promoting creativity and environmental awareness.

In the first activity, Green Day Celebration, the theme of 'Save the Environment' was highlighted. The students put their imagination to work, showcasing their eco-friendly side. Manya Shrivastava from LKG and Akshat Mishra from UKG dressed up as grapes, while Vanya Singh embodied an apple tree. Diksha Yadav, Ayan Raj, and Arpita Singh stood tall as trees.

In Class 1, Divyanshi Srivastava and Aaradhya Singh impressed as trees, while Aayushi Gupta from Class 2 presented a beautiful poster. Aarushi Singh and Ananya Gupta, also from Class 2, mesmerized everyone in tree costumes.

Next, the students celebrated the Joy of Rainy Season. Donning colorful umbrellas and raincoats, they performed lively rainy dances. LKG's Rudra Singh and Manya Shrivastava displayed creative posters and handmade umbrellas. Arpita Singh, Vanya Singh, and Ayanraj from UKG showcased excellent art and craft skills.

Class 1 students, Shivansh Sahu and Yogita Rathore, along with Class 2's Anshika Manikpuri and Pallavi Patel, joined the fun with their raincoats and umbrellas, participating enthusiastically.

These activities not only fostered creativity but also instilled important lessons about the environment and the joy of embracing nature's wonders.

PTM Scheduled for July 15, 2023, to Strengthen Parent-School Communication

On July 15, 2023, a Parent-Teacher Meeting (PTM) is set to be conducted for students from LKG to 12 at School. In an effort to enhance parent-school communication, teachers have shared vital information with parents about various documents required by the school. This includes Aadhaar card, bank account detail of students and health-related documents. Furthermore, the PTM allowed parents to provide valuable feedback to the school, fostering a collaborative learning environment. This initiative aims to strengthen the bond between parents, teachers, and the school administration, ensuring holistic development and success for every student.

Our School Shines with 15 Medals in National Karate Championship

In an outstanding display of talent and determination, the students of DAV Mukhyamantri Public School Parsada Ved Masturi have once again made their mark on the national stage. Devesh Jagat, Arya Dubey, Hariom Lohar, Duke Aryan, Abhishek Yadav, Kanha Gupta, Astha Pandey, and Parmeshwari Lohar, along with their coach Mohit Ram Kaushik, have secured a remarkable total of 15 medals in the National Karate Championship. Their exceptional performances earned them an impressive tally of 4 gold, 4 silver, and 7 bronze medals. This achievement not only highlights the dedication and hard work of the

students but also showcases the commitment and guidance provided by their coach. The entire school and local community are incredibly proud of their accomplishment, and their success serves as an inspiration to aspiring athletes everywhere.
