Result (2022-2023) & New Session (2023-2024)

Dear Parent

Greetings from M.L. Khanna DAV Public School !

We are thankful to the Almighty for a successful and wholesome completion of the session 2022-23. The reopening of the school after two years of COVID Pandemic was no less than a formidable challenge. From bridging our students' learning gaps to addressing their emotional and overall well-being, each feat was daunting but with the staunch support and the shared responsibility of parents, we could navigate through this challenge in setting the stage for children to promote their learning as multidimensional beings.

We take immense pride in sharing some of our glorious achievements in the year 2022-23.

1. The school has been selected once again as a **Microsoft Showcase School (eighth year in a row from 2015 - 23)**. As a Showcase school, we belong to a global community of schools engaged in digital transformation to enrich teaching and learning.
2. Principal Ms. Monika Mehan has been conferred upon the **Head Teacher of the Year Award by School Enterprise Challenge**, a unit of UK based Charity Organisation Teach a Man to Fish for her invaluable contribution to the implementation and execution of the school enterprise. A visionary leader, Ms Monika Mehan, has played a pivotal role in initiating international collaboration with various organizations like Teach A Man to Fish, Generation Global- A Tony Blair Institute's Global Citizenship Programme to name a few.
3. **Sneha Tyagi, Topper AISSCE, 2021-22** was invited by the Lt Governor of Delhi for at-home-reception at Raj Niwas on January 24 and was honoured for her stupendous performance on securing **99.4%** in Commerce Stream.
4. **Chehak Bansal of class XI** has won laurels on many fronts. She has been felicitated with the 13th Torch Bearer of Dwarka Award 2022 under the category of **Best Student Academics (Girls)** by the Dwarka City Newspaper.
Further, her participation in **SHE STEM Insta Reel Challenge 2022** conducted by **ATAL Innovation Mission** along with Embassy of Sweden was highly appreciated. Her video expressing her views on her innovation to tackle climate change was shortlisted amongst top 10 out of 900 videos.

5. Achievements of our Interact Club ' **सौहार्द**' students are worth a mention. We received the *Best School Award* from Rotary International District 3011 from among 100 + schools of Rotary Interact District 3011 in Delhi and NCR. The glorious recognition has been conferred upon the club for its exemplary endeavours promoting sustainable living and contributing to a healthy and harmonious society. **Anshika Uniyal , Class IX** has been appointed as the District Director-Community-Economic-Development in the Interact District Council of Rotary International District 3011 at the District Interact Leadership Summit. **Anushri Sharma** has been selected as the **Zonal Interact Representative for the District Interact Council 2022-23**. Adding more glory to the club and school, **Interactor Gracy Singh** of class X has also been selected as Director- Water, Sanitation and Hygiene in the District Interact Council 2022-23.

The ATAL Tinkering Lab of the school has been fervently working towards enhancing creativity, innovations and problem-solving skills among students. Through visits to institutes of scientific interests, STEM Activities, intra school competitions, workshops on Robotics, 3D Print, Rovers, Rockets and AI Kits, the ATAL Tinkering Lab is empowering students to develop necessary skills for study and research.

We take pride in new additions to our infrastructure - a spacious **open amphitheatre** and a well-equipped **Multimedia Centre** providing platform to our talented students to showcase their talents and hone their artistic, technological, creative and collaborative skills.

The Ethnic Day, being celebrated every Friday and on the days of cultural celebrations, is a much awaited day for students and teachers alike. Wearing traditional ethnic attire on such days not only marks their pride and joy but also fortifies their credence in their own tradition and culture. Continuing this tradition, the students will come in their ethnic attire on **22nd March 2023** to celebrate **हिन्दू नववर्ष विक्रम संवत् 2080**.

With a belief that each achievement is an impetus to higher achievements, we wish to serve and teach our children to work for the betterment of those around us through sharing, giving, encouragement and compassion.

Here are a few important points to be noted regarding 'Result Declaration' and to ensure a smooth beginning of the new session, 2023-2024.
