

KBDAV-7 CELEBRATED BIODIVERSITY
UPHOLD YOUR CONSTITUTION – PROTECT YOUR ENVIRONMENT

A mega participation of more than 1100 students followed in a series of events like face painting, poster making competition, poetry recitation, speech contests and even enacted in online plays.

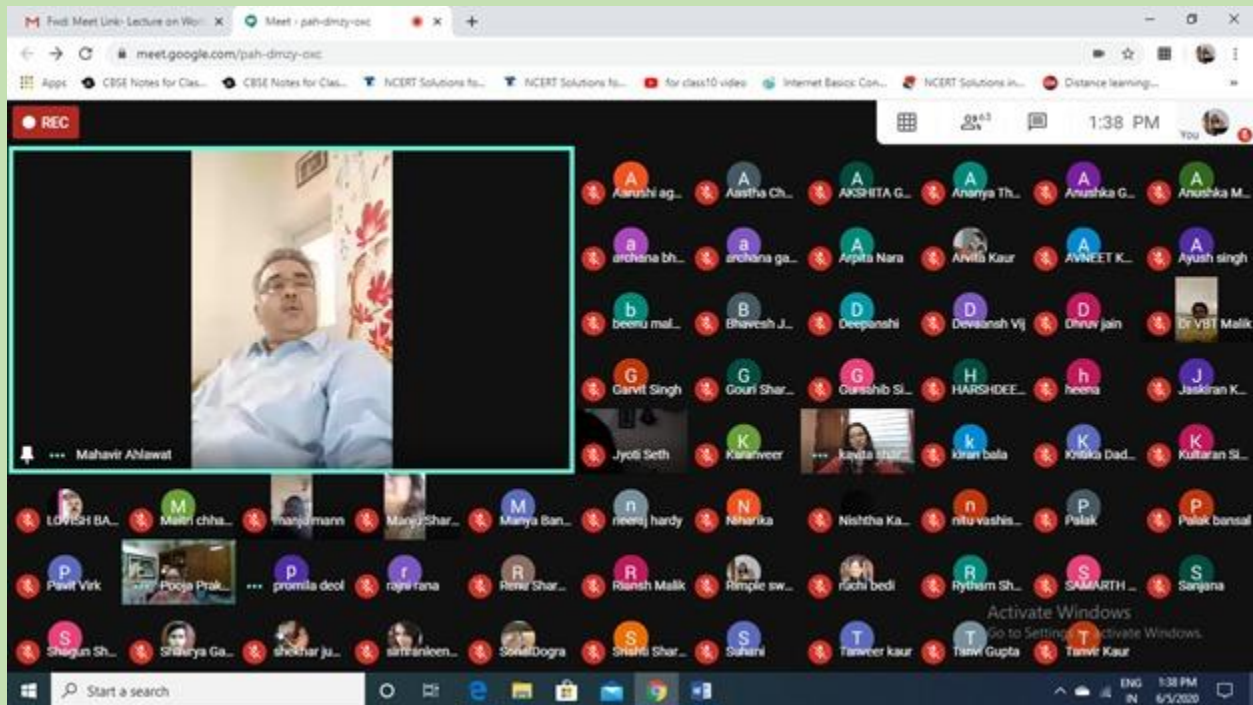

World Environment Day is the opportunity for everyone to realize the responsibility to care for the earth and to become agents of change.

116 Students of Class 8th to 10th participated in the Online Quiz Competition, organized by Environmental Information System, Chandigarh. The participants gauged their knowledge and understanding of 'Biodiversity'.

Hon'ble Additional District and Sessions Judge, Sh. Mahavir Singh Ahlawat conducted an Interactive Session for 68 students of Class 11th and teachers. They were formally welcomed by the Principal of the School, Mrs. Pooja Prakash.

In his enriching session, he emphasized on the fact that students are future leaders and need to be dutiful and committed to the society. The key-note speaker talked on the topics ranging from Constitution of India, Duties towards the environment, Bio-diversity to the current threat of COVID-19. Expressing his concerns, he said that there is no doubt that COVID-19 has given a big challenge to Medical Sciences but at the same time it has proven to be a 'Blessing in Disguise' as the real beauty of the nature could be seen during this period.

He specially asked the members of Legal Literacy Club to spread information about Legal Aid Programs and to make Justice accessible to all. He also shared Helpline numbers in case any legal aid is required and made the audience aware about the working of State Legal Services Authority.
